1. INTRODUCTION

To achieve our mission, every member of the Thomas Edison EnergySmart Charter School (TEECs) community must respect the rights of all members of the community to learn. This means creating an environment that is physically, emotionally and intellectually safe, orderly, and conducive to learning. The information in this handbook provides the guidelines for all of our behaviors and attitudes that will create a positive environment in which each student, parent, and teacher can contribute and learn. Because this is a parent/student Handbook, it is written to/and for both parents and students. Each section begins with a general description of the issue involved, and then it addresses you and your actions and attitudes very specifically.

2. COUNSELING SERVICES

Thomas Edison EnergySmart Charter School has a guidance counselor who is available to see students regarding problems that they may be experiencing at school or home. The class teacher will refer the student to the counselor with the approval of the Lead Person or his designee.

The school is responsible for issuing progress reports and report cards in a timely fashion. Each report card will be e-mailed. Please notify the school office for any email address or contact number changes. It is the parent's responsibility to

request a report from the front office if it was not received on time. If you do not get your progress report or report card, please call the school office at (732) 412- 7643.

It is the parent’s responsibility to ensure that students submit their homework on time. You may also get online information about your child’s progress by logging onto our website at www.energySMARTschool.org. TEECS is dedicated to excellence in education, and we strive to create a caring and efficient communication between homes and school.

TEECS will follow this standard scale for assigning letter grades for each reporting period. Teachers will establish the grading policies and procedures for their classes individually, and their grades will correspond to this scale:

4 – Homework not handed in	11 – Unsatisfactory or no project work
5 – Frequently tardy	12 – Unsatisfactory participation
6 – Frequently absent	13 – Actual grade is 50% or below
7 – Grade reflects poor test scores	

5. EXAMINATION PROCEDURES

At TEECS, formal examinations fulfill an important function in the assessment of each student's academic performance. As external examinations (state mandated standardized test) are used on a state-wide basis as measures of student performance, students at TEECS are exposed to formal examinations not only for the purposes of assessment but also for experience in examination conduct, procedure, and technique.

Consequently, the school has in place a "Code of Conduct" pertaining to examinations.

- Students are to remain silent during all examinations unless directed otherwise by the supervising teacher.
- Under no circumstances are students permitted to distract other students during examination.
- Students must leave school bags at the front or outside of the examination room.
- Students are not permitted to take any paper, including worksheets and scratch paper, into the examination room. Further, students are not permitted to remove any paper, including the question paper, from the examination room.
- Students must bring appropriate equipment for each exam and are not to borrow equipment or anything else during examinations. Students are expected to wear the school uniform to all examinations.
- Students are not to be late for examinations and will NOT be permitted to leave early.
- Latecomers will not be granted extra time to complete the exam.
- Students are responsible for the collection of their work.
- Students who are absent from any examination are required to present themselves to the subject teacher immediately upon their return to school. All exams must be made up within three (3) days of absence; however, the student must present a reasonable excuse to be eligible for a make-up exam or project.

In the event of any violation of the above rules during an examination the student will, in the first instance, receive a zero. After the event, a review of the situation will determine if a zero award is to be made or a lesser/harsher penalty imposed.

ANY STUDENT FOUND TO BE CHEATING DURING EXAMINATIONS AND/OR DETERMINED TO HAVE CHEATED WILL RECEIVE A ZERO AND THEIR PARENTS WILL BE NOTIFIED. DISCIPLINARY ACTION MAY BE TAKEN BY EITHER THE SUBJECT TEACHER OR BY A SCHOOL ADMINISTRATOR. SEE THE CHEAT/PLAGIARIZE POLICY.

6. HOMEWORK POLICY

Homework is an essential part of your successful educational program at TEECS. Doing homework will help you develop many valuable skills such as good study habits, time management, responsibility, and perseverance. Teachers will assign homework that will foster individual learning and growth and that is appropriate for the subject area. Homework is part of all students' regular evaluations. It is your responsibility to complete and turn in homework on time. In case of conflict regarding homework assignments the teacher's record is final. If a student or parent has questions about homework, immediately contact the teacher who assigned it. Teacher's contact information is available at our website.

7. GRADE PROMOTION POLICY

The grade promotion policy from one grade to another in TEECS shall be based on the following criteria:

1. A student who has not maintained a grade average for a school year equivalent to at least 70 on a scale of 100 may not be advanced from one grade level to the next.

Only core academic subjects, including Language Arts (Reading), Language Arts (Writing), Math, Science and Social Studies are considered for promotion purposes.
8. A student must not have more than 10 unexcused absences in order to be promoted to the next grade level. More than 10 unexcused absences within one school year could result in an appearance before the Board of Directors.

8. ILLNESS, INJURY, AND MEDICATION POLICIES

TEECS has a school nurse and first-aid-trained-person available to discuss or assist with medical problems or concerns. Unless you are ill, you must make an appointment in advance with the nurse. If a student has a fever of 100 degrees or more, is vomiting or has diarrhea or the school nurse feels the student is unable to continue classes, a parent/guardian will be notified to come pick the student up immediately. Students cannot be left in the nurse's office.

Please note that if a student MUST be fever and diarrhea free for at least 24 hours before returning to school. If a student returns to school before the 24-hour time frame has passed, a parent/guardian will be notified to come pick the student up immediately.

Illness or Injury During the School Day

Please follow these rules if you become ill or are injured during the school day.

- Report to the nurse's office. If the nurse is not available, you should report to Security.
- If you do not inform the office and simply miss class, it is an unexcused absence.

- All medication will be kept in a secure location in the nurse's office.

Head Lice Policy

TEECS follows the No – Nit Policy. At the time head lice are positively identified the student's parent/guardian will be notified to pick the student up immediately. The student and parent/guardian will need to check in at the nurse's office to have student re-checked. At the time of re-check if there are nits visible the student will not be allowed to remain in school.

9. LOCKERS

Students will be assigned a locker for his/her individual use at TEECS. This locker is for storing backpacks, books, coats, and personal items necessary for school. To keep your school items safe, we strongly advise you to keep your locker and its combination private. **Do not trade lockers with another student. Do not let another student share your locker.** It is your responsibility to see that your locker is kept locked and in order at all times. You should report any damage, vandalism or non/working condition of your locker to the front office. If you do not report vandalism, damage or non-working condition of your locker, you will be held responsible for it. Please remember that your locker is school property and remains at all times under the control of the school; however, you have full responsibility for the security of your locker and what is in it. Lockers need to be kept neat at all times. School officials will make periodic locker inspections. No item considered dangerous by the administration may be kept in the lockers and will be removed if found there. This includes glass or any other object that may be potentially dangerous. State law permits inspection of student lockers, at the discretion of local school officials. Students attending TEECS should not expect privacy of the contents of their lockers, desks, or other school property.

In a regular school day, students can go to their lockers on the following designated times only.

10. LOST AND FOUND

If you find books, clothing or personal items on the school grounds, please bring these items to the office. If you lose something, check the Lost and Found. There is no better way for students to enrich their education than by taking part in clubs and after school activities or working with a teacher. Additionally, students will not be able to participate in clubs or extended care if payment has not been received for the previous month.

Science Fair

Thomas Edison EnergySmart Charter School organizes a school-wide science fair every year. Due to our high expectations from our students in science, math and technology, each student is required to complete a research project in one of these areas (individual or group). Failure to do so will result in failing the science class. If a student wins a trophy or medal in the science fair or in any other competition/contest in which he/she represents the school, the school owns the trophy or medal and will display it.

TEECS School Science Fair Committee will provide a Science Fair Handbook to the students. Every student is required to follow the guidelines cited in the Science Fair Handbook.

15. STUDENT ID CARDS

Student ID cards are issued to each student. This card allows students to attend school-sponsored functions and the student must show and use the ID card in order to get breakfast and lunch. If you lose your ID card, go to the activity coordinator before or after school to purchase a new one. Students shall return their Student ID cards if they withdraw from the school.

16. TEXTBOOK AND SUPPLIES

TEECS may use classroom sets for each course. TEECS will hold each student's parent/guardian responsible for the condition of the textbook issued at the beginning of the year. Each student should take care to see that these books are not lost, stolen, damaged, or defaced. Students will have to pay to replace any books that are damaged or not returned. Students must return all textbooks and workbooks at the end of the year. Should a student withdraw or be expelled, all textbooks must be returned to TEECS immediately.

When textbooks are checked out, the textbook will be registered and the condition of the book will be noted. When you return the book, its condition will be checked. If you lose the book or damage it by writing in it or ripping it so that another student cannot use it, you will have to pay the current price value of the book.

Many of the classes will use consumable supplies – from materials to workbooks. Students will be required to pay for these consumable materials. If there is a special circumstance, families should meet with the administration.

FINAL REPORT CARDS, TRANSCRIPTS AND/OR TRANSFER CARD WILL NOT BE ISSUED UNTIL ALL TEXTBOOKS ARE RETURNED IN GOOD CONDITION.

17. VISITORS

Visitors for educational reasons are welcome at TEECS. Visitors/parents must sign in with security when they arrive. Visitors/parents must present a valid ID to security. No visitor or parent is allowed to walk in the school without a visitor pass. Visitor passes must be visible at all times. Students' visitors are not permitted on site. Do not bring guests to school without prior arrangements.

18. ATTENDANCE

Regular school attendance is essential for the student to make the most of his or her Education - to benefit from teacher-led activities, to build each day's learning on the previous days, and to grow as an individual. School employees must investigate and report violations of the state compulsory attendance law. Students absent without permission from school or from any class will be considered truant and subject to disciplinary action. **To receive credit in a class, a student cannot have 10 or more unexcused absences.** Students with 10 or more unexcused absences may be retained in their current grade, unless the attendance review committee finds that the absences are the result of extenuating circumstances, such as:

- All extracurricular activity or public performances that has been approved by the District's Board of Trustees are excused.
- Required appointments related to screening, diagnosis, and treatment for Medicaid-eligible students.
- A temporary absence resulting from any cause acceptable to the teacher, Lead Person, or Superintendent, including personal illness; or illness or death in the immediate family.
- A juvenile court proceeding documented by a probation officer.
- An absence required by state or local welfare authorities.
- A family emergency or unforeseen or unavoidable instance that requires immediate attention.

Attendance regulations (N.J.A.C. 6A: 16-7.6) requires each district board of education to develop, adopt and implement policies and procedures regarding the attendance of students, including the adoption of a definition of "unexcused absence" and the provision of mandated services for students with between one and nine cumulative unexcused absences and a mandated court referral for truant students. Truant students are defined as those with ten or more cumulative unexcused absences.

Please note:

- The District shall excuse students from attending school for the purpose of observing religious holidays when it is a tenet of their faith that they must be absent from school during such time and if, after the absence, the parent, guardian, or person having custody or control of the student submits documentation for the excused absence. The District shall excuse the student for days on which the student must travel to and from the site where the holidays will be observed. Excused days for travel shall be limited to not more than one day for travel to and one day for travel from the site. A student whose absence is excused for religious holidays shall not be penalized for the absence and shall be counted as having attended for purposes of calculating attendance. Students excused under this provision shall be allowed a reasonable time to make up schoolwork missed on those days.
- A student absent for any reason should promptly make up specific assignments missed and/or complete additional in-depth study assigned by the teacher. A student who does not make up assigned work within the time allotted by the teacher will receive a grade of zero for the assignment.
- A student is tardy if he or she is not in the classroom when the tardy bell rings. Repeated instances of tardiness will result in disciplinary action.
- The administrator must clear all anticipated absences at least one full day before the absence. All assignments missed will be due on the day the student returns to school unless otherwise arranged with teachers or administrator. Assignments associated with an anticipated absence will be provided before or after the absence at the discretion of the school. Any absence not cleared in advance will be unexcused.

TEECS has the right to take extreme absence cases to court.

A. Absence and Tardiness

TEECS recognizes two kinds of absences and tardiness: excused and unexcused. Please read through the definitions of each carefully so that you understand the meanings of each. Also, you need to be acutely aware of your responsibilities regarding homework, quizzes, and tests when you have an excused absence and the consequences for unexcused absences.

Students must provide a note from a parent/guardian or a doctor for an excused absence to be admitted to school.

B. Excused Absences

TEECS accepts only the following as excusable reasons for absence from school with documentation, as per State Law. Under the compulsory education law, parents or guardians must notify the school any morning their child is not attending. The excuse shall be submitted to the Main Office by e-mail (info@energysmartschool.org) and filed as

part of the student's school record. An excuse for absence from school may be approved for one (1) or more of the following reasons or conditions:

- Religious observance
- A college visit (up to 3 days per school year, only for students in grades 11 and 12);
- "Take Our Children to Work Day"
- Participation in observance of Veteran's Day or district board of election membership activities
- The closure of a busing district that prevents a student from having transportation to the receiving school.

C. Unexcused Absences

An unexcused absence does become part of a student's school record. Family travel, personal illness or illness of a family member, professional appointments, performance of household duties and other daytime and non-educational activities are considered unexcused absences as per State Law. You will also be marked for an unexcused absence if you:

- Fail to e-mail the main office the day of the absence or within three school days following an absence that would otherwise be considered excused;
- Leave school without the permission of the Administrator;
- Are absent from class without permission - including walking out of class;
- Are absent from school without parental permission;
- Get a pass to go to a certain place but do not report there, and/or;
- Are absent for reasons considered unacceptable to the Administration.

D. An absence from school, even for several days, does not excuse you from responsibilities in the classroom on the day you return. If you have an excused absence, you will be given the same number of days that you were absent to make up missed work.

- On the day you return to school, it is your responsibility to find out what work is required and when the work needs to be completed, and record the due dates.
- If you are absent for school-related reasons or for an anticipated or planned absence, make arrangements with your teacher(s) for assignments prior to your absence. For students with excused absences, make-up tests will be scheduled at a time designated by the teacher. It is the student's responsibility to take the test at that time. If you fail to do this, the teacher is not obligated to re-schedule the make-up. If you fail to make up a test without making other arrangements, the teacher may decide not to give you the test.

E. Make-up Work for Unexcused Absences

If you have an unexcused absence, your grade(s) in a class or classes will be affected and teachers are not obligated to allow you to make up quizzes or tests.

F. Truancy

Truancy means that a student is inexcusably absent from his or her assigned location without the knowledge of a parent. TEECS shall consider any student truant if he/she is inexcusably absent from his/her assigned location without the knowledge of a parent.

Truancy shows a deliberate disregard for the educational program and is considered a serious matter that will have immediate consequences. If you are truant,

- No credit will be recorded for work missed as a result of a truancy;
- A record of the truancy will be entered into your permanent file;
- A conference with your parents will be held.

G. Habitual Truancy

TEECS shall consider a student a "habitual truant" by State law and expel him/her when, in spite of warnings and/or his/her parents' efforts to ensure attendance, he/she has accumulated five (5) consecutive days or nine (9) total days of unexcused absences during a semester (2 quarters).

H. Tardiness

At TEECS, there are two types of tardiness: tardy to school and tardy to class.

SCHOOL TARDINESS

Per NJ state law (NJSA 18A 38.25-26), a student must be present in school for a **minimum of four instructional hours** in order to receive credit for a given school day. The TEECS Tardy Policy has been developed to emphasize the importance of each student being in the classroom for the entire period, as well as arriving on time to school every day. Learning the responsibility of getting to class on time is an integral part of TEECS's standard of excellence, which prepares students for success.

In our school, instructional time is viewed as a precious resource. Consequently we view chronic tardiness as a serious problem. Note that after each incident you will receive this notice; but if the problem continues additional consequences will be imposed.

Thank you for your support in ensuring students makes maximum use of class time and learns to be punctual. **School begins at 7:50 am.** Beginning the day promptly is important and demonstrates commitment to success.

If students are not in the building at 7:55 am, they need to go directly to security to obtain a tardy slip.

Tardiness to school will be unexcused even though the parent brings the student to school. Oversleeping, car/traffic problems, etc. are all unexcused. Problems with tardiness to school may require adjustments in the family's morning routine. Tardiness is excusable by a school official under the following circumstances with e-mail and/or a professional note from the court or doctor/dentist:

- Court Appointment
- Student has a doctor or dentist appointment

A student will receive a recess detention for every five (5) days of tardiness.

The administrator has the right to substitute an alternative disciplinary intervention for repeat offenders.

I. Dismissal Policy

These instructions should be kept all year as a reference for dismissal procedures. Please read through and discuss them with your child. Forward any questions to the Main Office. Students not registered with an After School Club, must either take a bus home or are picked up. Disciplinary action will be taken for those who leave and come back to campus without having written permission from an administrator.

J. Early Dismissal of Students from School

Because TEECS is very concerned about your safety and well being of their students, early dismissal from school is an important issue. In all instances of early dismissal, the following precautions will be taken to insure student's safety:

- School administrators may release you before the end of a school day only upon receipt of an email by 10 am by the Main Office or for emergency reasons.
- You may be released only to a parent or guardian whose signature is on file in the school office or to a properly identified person, authorized in writing by the parent or guardian to act on his/her behalf.

Please be reminded that regardless of whether it is a regular or an early-dismissal day, the school building will be locked at 6:00 pm.

K. Unexpected Closing of School

In case it would be necessary after students have gone home to close school the next day because of weather or other emergency situation, the closing will be posted on the school website and parent's contacted via School Messenger.

19. STUDENT CONDUCT AND DISCIPLINE

TEECS' goal is to help every student fulfill his or her intellectual, social, physical, and emotional potential. Everything in and about the school has been designed to create an orderly and distraction-free environment in which all students can learn effectively and pleasantly. To foster this kind of learning environment, the TEECS administrators and teachers shall not allow the following types of behavior during school, on school property, or at or during any school-sponsored activity.

Rules in every classroom:

1. Be in your assigned seat, ready to work before the tardy bell rings at 7:55 am.
2. Bring pencils, pens, paper, books, and all assigned materials to class.

3. Rolling backpacks are not permitted on school property. Backpacks will not be allowed in the classroom per New Jersey state law. Students will be permitted to carry a small cloth Thomas Edison bag to their classes.

11. No students may leave class without a hall pass.

Substitute teachers, part-time teachers, mentors, and tutors have the same authority and rights as the regular classroom teachers. Homeroom periods are also regarded as class periods in terms of validity and effectiveness of classroom rules. Serious matters will be referred to the discipline committee as determined by administration. One or a combination of following consequences for violating daily classroom rules may be implemented:

- Discipline points

Serious misbehavior or actions occurring outside of a particular classroom are handled at the discretion of the administration. Students may be questioned by Administrators regarding incidents of HIB (Harassment, Intimidation and Bullying). Lack of participation from a student and/or parent(s) in the process does not preclude action taken by the TEECS administration.

SATURDAY DETENTION

Saturday Detention serves as an alternative to Out of School suspension for the violation of school rules. During the hours of detention, students will work to increase academic skills, engage in activities to improve self-concept, and address discipline.

The purpose of Saturday Detention is to provide positive, worthwhile, educational experiences and a meaningful misbehavior deterrent for those students who have violated school rules.

Saturday Detention will prevent students from losing instruction time by keeping them in school.

A serious violation or repeated violations of the behavior code is cause for a student to serve a Saturday detention.

Students who attend Saturday Detention may receive academic assistance and may be given the opportunity to do homework, make-up work, or remedial work, under the supervision of a teacher. Each student will be given a Behavior Modification Packet, which may help students to understand why they break school rules and the consequences students will face thorough introspection. Hopefully this counseling session will guide students toward acceptable alternatives through goal setting exercises given to students from the Behavior Modification Packet. Also, students may do some physical exercises during detention.

E-mail notification of a Saturday detention is sent home to the email addresses on file. This notification lists the cause for and date of the detention. The only acceptable excuse for not attending a Saturday Detention is a verified illness (doctor's note) of the student.

Any student who exhibits any of the "Unacceptable Types of Student Behaviors" listed in this handbook or added to this list at a later date will suffer immediate consequences. These consequences range from notification of parents, detention, and emergency removal from a school activity to suspension, expulsion, and criminal prosecution.

All students at TEECS have the right to feel that they are physically, emotionally, and intellectually safe.

- Therefore, if at any time you feel you are the subject of harassment, hazing, threats, or other intimidating behavior, you should immediately speak to an administrator about the problem. The situation will be investigated as soon as possible.

A PARENT SIGNATURE IS REQUIRED ON ALL WITHDRAWAL FORMS.

26. COMMUNICATION

The administration and staff will use all means (mail, e-mail, phone, etc.) to communicate with parents. In the event of a change of address, telephone number, or e-mail address, please notify the school office immediately. The school may not be held responsible for lack of communication unless parent contact information is updated regularly.

Communication is the key word for success in education. You have many ways to contact our teachers, monitor your student's progress and keep current on school activities, including:

1. You may call the teacher's extension directly during school hours (7:45 am – 4:00 pm). Call (732) 412-7643 and dial the extension you want to reach. If a teacher is in class, please leave a voice message. Teacher extensions are available in the main office.
2. You may send e-mail to teachers. E-mail addresses are available in the main office.
3. Your student's academic progress and conduct can be viewed on our website, www.energySMARTschool.org.
4. A newsletter is e-mailed to e-mail addresses on file weekly.

Please note that it is the parent/guardian's responsibility to monitor student's progress and conduct.

27. GOING TO and FROM SCHOOL

On the way to and from school, students should respect the rights, privacy, and property of the community, neighbors, stores, etc. and refrain from loitering, trespassing, littering, or creating noise. If needed, the school may take disciplinary action for reports of complaints from the community.

28. ACTIVITIES

Fundraising

No person may solicit contributions or collect funds for any purpose from students or school personnel on school property, at school-sponsored events, or on school transportation unless he has the written permission of the school Lead Person or the superintendent of schools.

Sales

Advertising may be permitted if it's for approved school-related activities. Such activities may include school newspapers, yearbooks, and other fund-raising projects. Advertising material that promotes the use of alcohol and tobacco is strictly prohibited. No person may display, offer to sell, or sell any item or service to students or school district personnel on school property, at school-sponsored events, or on school transportation unless he/she has the written permission of the school Lead Person.

Demonstrations or Meetings on School Premises (non-school sponsored)

Any student who wishes to promote, organize or participate in a demonstration or meeting on school premises other than those sponsored by the school must obtain prior approval from the Lead Person at least three (3) days prior to the requested activity. The three (3) day period does not include the day of the request or the day of the activity. Before approving the request, the Lead Person will determine if the activity will be orderly and peaceful and will not interfere with the rights of others or disrupt the education process.

Assemblies

Unless otherwise announced, students report to their regularly scheduled class before being excused to attend an assembly. After allowing adequate time for roll call and making necessary announcements, students will be dismissed for the assembly by intercom. Students are expected to attend assemblies when dismissed from class unless a different assignment is given a student by the school administration. A student will be considered truant and disciplinary action will be taken if he/she does not attend an assembly. Students should enter the assembly area quietly, be seated and behave in a mannerly fashion. Appreciation should be shown with applause. No food or drinks are allowed in the assembly area.

Arts and Activity Groups Procedure

The TEECS philosophy concerning performing arts in education is that the total learning experience involves practice, performance, and evaluation. Students will be evaluated on both practices and performance. Students and parents should be aware of possible conflicts with other activities, both within and out of the school system. The following guidelines of student responsibility to performing arts and activity groups are outlined:

1. Performing groups have responsibilities in and away from school, during and after regular school hours, and student members of such groups must adhere to all organizational rules and policies.
2. Students are expected to attend rehearsals and performances for the school organization, in which they are a member of.
3. Participation and service in the performing group outside of the classroom will be a determining factor of the grade received. Any student who has an unexcused absence from a scheduled required rehearsal or performance might have his/her semester grade lowered one letter grade.

The following conditions constitute reasons for an excused absence for a required rehearsal or performance:

1. An out of town trip with family provided prior approval was obtained from the activity director and notice was given five (5) days prior to the school in writing.
2. A family emergency.

3. Unexpected illness (director should be notified prior to the required rehearsal or performance).
4. Any conflicts of school activities which have been previously resolved with the activity director or Lead Person.

The Lead Person will determine whether an activity is a required rehearsal or performance.

The initial responsibility for a review of the policy is that of the student. If an acceptable solution is not reached during a meeting of the student and the activity director, the building Lead Person will be informed of the need to review the request.

The Lead Person will meet with the concerned student and the activity director (instructor) to obtain needed information. A decision by the Lead Person concerning resolution of disagreement will be provided all interested parties.

29. PROTECTIVE ORDERS/RESTRAINING ORDERS

It is the responsibility of the parent/guardian to notify the school in writing of any special court orders or directives in regard to student safety or sign-out procedures. The school will not be responsible for violations, if copies of court orders are not on file.

30. EMERGENCY PROCEDURES

Fire, lock-down, evacuation, and tornado drill instructions will be discussed in each class. Students need to understand and follow these instructions. This is a life and death matter.

SPECIAL NOTE

It is the school's responsibility to publish the student handbook on the school website. It is important that each student attending TEECS and their parents have read, understood, and agreed with the content of the student handbook.

TEECS reserves the rights to delete, add, and amend policies in this handbook. Any changes to this handbook will be posted on the school web page.

31. STUDENT CONDUCT CONTRACT

Because all of you have elected to apply to TEECS, we anticipate that all students will not only accept their rights as members of our school community, but also their responsibilities to other members of that community. We ask each of you to carefully read over and sign the student contract on this page and, as the school year unfolds, do your best to behave in ways that will enhance your own and others' ability to learn.

STUDENT CONTRACT

The student contract is to be electronically signed on Community Pass.
